

Research Knowledge Mobilization 2.0 Tools: Hands-On Workshops

*In a series of four **hands-on** workshops, you will learn how to use Web 2.0 tools to mobilize research knowledge*

- Create a searchable digital archive
- Cultivate an online scholarly presence
- Create a blog to share your research
- Consolidate, expand and enliven networks
- Make PowerPoint slides widely available
- Spark debate and conversation through Twitter
- Use online collaborative authoring environment

Who can attend? NCIE Staff and FoE Faculty and Graduate Students
